# If I have COVID-19 or a positive rapid test result

- Suspend in-person classes and take a leave on Portal.

- Submit self-report questionnaire on Yuan Ze COVID-19 Prevention.

- Home quarantine and distance learning for 7 days.
    - Students can take disease prevention leave if feeling unwell.
    - Teachers who are temporarily unable to teach can arrange for make-up classes or substitute teachers.

- You can attend classes from the 8th day if you don't have any symptoms.

If my roommate or a family member I live with has COVID-19 or a positive rapid test result

You should adhered to self-health management measures (0+7 days) whether you receive a booster dose or not.
There's no need to submit self-report questionnaire.

Do you have any symptoms?

Yes →
1. You can't attend classes.
2. Take a leave on Portal.

No →
Negative result from a rapid test taken within 2 days → You can attend classes.

If you have tested positive : Home quarantine for 7 days and take a leave on Portal.
